

Dr Carson, Dr Cupples & Dr Eames

Collection of Prescriptions

From 1st April 2019, the Practice is going to have a 'nominated chemist service' where a patient can nominate one chemist to collect all their prescriptions. We hope that this will be of benefit to patients as you will not need to come into the Health centre to collect your scripts. Simply wait the usual 48 hours for your script to be ready and collect it directly from your nominated chemist.

If you wish to avail of this service, please complete the table below and give it to reception so we can update your records.

If you wish to change your mind or change the nominated chemist, you must contact the surgery.

Dr Carson's Practice

If you **always** want your prescriptions to be collected by the same chemist each time you order, then complete your details below and return it to the surgery. This new service will start on 1st April 2019. It is advisable to check with your chemist that they are willing to take part in this service.
